- ❑ Portable Ashtrays - *For smokers*
- ❑ Earplugs - *For light sleepers. It might be a little noisy at night*
- ❑ A Good Attitude - *And an open mind!*

ROOTBOUND

DIRECTIONS

BEWARE, MAP APPS MIGHT STEER YOU WRONG

It seems the digital maps might have a little catching up to do, because they sometimes send people down a disused road that doesn't connect up to the property anymore.

Most of the time, typing "RootBound Festival" or "Mungalla Station" into your map app will do the trick, but here are the directions just in case:

From Ingham, head down Forrest Beach Rd towards Forrest Beach. The Mungalla Station turnoff will be on your right, about 12 km down the road, past the Victoria Sugar Mill. Look for the large grove of mango trees on the right that frame the entrance to the property. You should be able to spy the big colourful RootBound banner on the side of the road. Turn onto the track and follow the road down to the festival.

Please drive carefully along the unsealed roads and try not to stir up dust. Once you're nearing the festival site, please keep your speed to 10 km/h to ensure everyone's safety 🙏
